

## Test-Fly a Beechcraft

The first time you fly a Bonanza, Debonair, Baron or Travel Air, you'll be hooked. You'll know Beechcraft is the airplane brand for you!

If you're a serious prospective airplane owner with a current pilot certificate and medical, you can arrange to test-fly a Beechcraft through the ABS Ambassador Program. You'll get a front-seat experience that will convince you that a Bonanza, Debonair, Baron or Travel Air is the right choice for you. Your Ambassador will decide how long or short the orientation flight will be, who covers what costs, and all other details of the flight.

Contact an ABS Ambassador and schedule your Beech Bonanza, Baron, Debonair or Travel Air demo flight today!

Here are the ABS Ambassadors (updated 8/23/2010). Check back regularly to see when more are added.
