Ambassador Program

One of the greatest benefits of this organization is a shared passion for aviation and the Beechcraft brand. Our Ambassadors are mentors, owners, and friends who want to share the many benefits of ownership with you. The members listed below are offering to help enhance your experience as you search for your perfect aircraft by way of offering insightful phone conversations, possible meet ups, and even the potential for test flights.

To participate, find an Ambassador in your area or someone with the aircraft you are most interested in. Contact an Ambassador by email or phone and schedule a time to talk or meet, and if you have a current pilots certificate and medical you can arrange to test-fly with them. You and your Ambassador will determine the details together; the American Bonanza Society just serves as a means of offering this list.
